If omitted, the words, "Breeder Unknown" will be inserted, and in all entries, or Horse and Pure Bred Cattle No. in Stud Book, the names of the sire and dam, if known, also sex and colour, and all ages must be given with exception of aged beasts, for insertion in the catalogue. Competitors in the Jersey Section must state on entry form the ear tattoo.

15. All horses and ponies entered in competitive classes or ring events or parading (whether by invitation or by entry) must be entered in the name of the bona fide owner. All animals must be named at time of entry.
16. Judges of stock in arriving at their decisions are directed not to give undue weight to high conditions (except in the Classes for Prime Stock), but to award the Prizes to the animals in Class, which they consider best represent the particular breed or description intended to be encouraged. The Judges are directed to pass over all those whose want of condition betokens weakness of constitution, however great their merit may be in all other respects. Where there are, in any Class, animals of different ages, the Judges are requested to take such difference into consideration in awarding the Prize: and, also in the case of females, as to whether in our or giving milk, so that want of condition from either of these causes may not militate against the animal possessing the greatest merit: but any animal which in the opinion of the judges, is barren – if not proved to the contrary- shall not be eligible to take a Prize, except in the Prime Stock Classes. No prize will be awarded or paid by the Association unless the exhibits qualify for same in the presence of the Judges.
17. Extra stock, not eligible under any of the enumerated classes, may be exhibited by paying the same Entrance Fees that are charged in similar classes.
18. All protests must be in writing, and lodged, with the Secretary either before or after the Judges have proceeded to their duties. Any exhibitor entering a protest must deposit \$200, which will be forfeited if the protest were not sustained. If the protest is lodged before the Judges proceed to their duties, the onus of proof will rest with the exhibitor. If after that the onus of proof will be with the party protesting. No protest will be received later than half an

hour after the prize tickets are affixed. The Committee will decide all protests as soon as practicable, and there should be no appeal from their decision.

19. Any exhibitor infringing any of the above Regulations shall be subject to be dealt with as may be decided upon by the Committee, or Sub-Committee whose decision shall be final.
20. Attendants in charge of Stock are admitted free, on production of pass, and are subject to the order of the Stewards.

23. Competitors are all expected to observe good manners and etiquette. Unnecessary rudeness may result in a competitor being disqualified from ensuing classes.
24. In classes where measurement is specified all Horses will be measured before entering the judging ring, and where Horses are measured in their shoes, 0.5cm will be allowed. Where a permanent height certificate or an Ellesmere Show Certificate has been given, measuring will not be necessary though the Association reserves the right to measure any horse or pony, such certificate notwithstanding.
