The RAS National Golden Fleece Competition is celebrating 40 years in existence. There have been many host organizations throughout the 40 years however our thanks must go to Mackenzie A&P Association who for the fourth year in a row have hosted this prestigious competition in conjunction with their show held on Easter Monday.

The dedication and commitment Mackenzie A&P Show have shown in building up the competition and ensuring sponsorship is available for separate classes is rewarded each year with the loyal base of dedicated exhibitors steadily growing. Over 68 fleeces are entered in the competition this year and all those fleeces will be individually judged and graded before being placed on display for all to view and enjoy at the annual Golden Fleece exhibition.

While thanks must go to the host organization and exhibitors for their support, no competition can survive without the support of sponsors.

Ravensdown has been the main sponsor of this event for several years and continue in this role again for the 2010 competition. Winners of the fine and strong wool competition will receive a \$500 Ravensdown voucher along with the prestigious RAS gold medal.

To the many other sponsors who support and are listed below our thanks.
