## Sand Circle

Author: Briar McMahon

Sand at the bay  
washed up by the sea  
clings to my feet  
and comes home with me.

Sand in my hair,  
sand in my clothes,  
stuck to my legs  
and between my toes.

Sand in the shower,  
grain by grain,  
makes a beach  
that slides down the drain.

Sand in the drains  
is flushed away,  
back to the sea,  
back to the bay.
