Junior Judges

As from 1974 Junior Judges will be selected from Judges Field Day examinations (North Island) and from arranged examinations at Classification times (South Island). Junior Judges must have exhibited cattle at Shows and been an Associate Judge under a Senior Judge at two shows (at least), prior to going before examiners for elevation and that in order to implement this requirement, Clubs be asked to co-operate in placing Junior Judges as Associates at shows.

Any Junior Judge listed in the Herd Book may judge as the Breed Judge at smaller shows, i.e. shows with no major prizes.
