Notification that a person carries the vote of your organization must be recorded on this form and sent to the RAS by 15 June for the voting delegate to be eligible. Observers are more than welcome at all meetings, including Breed/UBS meetings and you can send as many observers to conference as you wish. Observers will be able to participate in discussions at Breed/UBS meetings, but are not eligible to vote. Breed matters that may affect A&P Associations and require voting input by A&P delegates will be tabled at the AGM meeting, where all duly appointed voting delegates are eligible to vote.
