Livestock

It is with regret that North Hokianga A&P Association has decided to not hold any Bovine Cattle Events at the 2020 Show. There will be no Dairy, Beef or Young Handlers classes this year. All other animal classes will be held as usual.

This decision has not been taken lightly as we really appreciate the support we received from competitors, exhibitors, sponsors and the public.

However, given the risk Mycoplasma Bovis poses, we needed to take a strong position and support the endeavours of MPI to control and eradicate the disease.

A core part of our show is to show support for the agricultural aspect of our community.

Manuka Ointment may be used on all animals for wounds ranging from surgical, traumatic, chronic or acute.
