President's Message...

Each year the committee spends a lot of time discussing ways we can improve on the show, to make it more attractive to members of the public and more relevant to the world we live in.

Last years shows was a good one; the weather was kind, and we saw one of the biggest crowds we have had for many a year. So it was a bit of a challenge to plan a lift on that, but I think we have done it.

Once again, thanks to generous support from Pub Charities, we are able to have the charge for the side shows restricted to a gold coin donation. This was a real crowd pleaser last year and we expect it to be so again. After the debacle with the loud speaker system last year we have this year acquired, with assistance from a KDC community grant, a state of the art system, which means that everybody will be informed as to what is going on and where, with background music in between. In response to public demand we will have eftpos facility available at the Secretary's office.

Cattle are making a cautious comeback this year. Not a full competition, M.Bovis still makes that inadvisable. But a display of several breeds with the added attraction of a public stock judging competition, with prizes on offer.

Young Farmers competitions will again feature, in a new part of the ground, look for them as you come in the gate. Shearing is once again part of the ANZ Northland competition, which means a top class field should be on show. Don't miss it!! It's one of the best spectator sports around. There will be five horse rings in action at once. Vintage car displays, one of the best indoor sections in the North, and much more.

Forget the negativity about farming you read in mainstream press. Come along to the Northern Wairoa A&P Show, at Arapohue, on the 8th of February 2020 and celebrate agriculture and horticulture at its best, and be part of the rural community while taking part in a great family day.

Look forward to welcoming you there.

Richard Alspach (President)

Cattle Leading & Judging Competition

With Thanks to Bruce & Karen WOOLLEY

Because there is insufficient space to keep cattle from different breeders separated by the distance required by the Mycoplasma-Bovis security recommendations, the committee has decided to have a selection of different breeds of cattle that have come from one property instead of our usual classes

Members of the public are invited to enter a judging competition which will be assessed by a registered judge. Also there will be an opportunity for children & teenagers to enter a leading & handling competition with the calves provided.

Head Steward: Pam Morshead
