The card is a tool for exhibitors, who have a disability, to use when they are making their entry at a show/event giving a clear picture of their disability and any equipment they may need. Each show/event will have their own Health & Safety plan, and it is only the show/event that can make the decision to accept the entry or not.

ACKNOWLEDGEMENT: I understand if a card is issued it is merely advising the show the person has a disability, and any of circumstances, aids or equipment that may be required. I understand this must be submitted to any A&P Show/Event at the time of entry, so the A&P Show/Event can assess whether they are able to accept the entry (all A&P shows/Events have the right to refuse an entry).
