## **DEFINITIONS**

### **HACK**

Over 158 cm the ideal hack should be a sound quality animal with good conformation and even temperament. A top-class hack will also show elegance and gaiety and demonstrate very good movement. The stride is expected to be long, straight and light, covering a lot of ground with some extravagance. Exaggerated knee action is not desirable. The hack should possess the qualities of a good riding horse, presence, elegance and free movement. It is these qualities that catch a Judge's eye.

### **PARK HACK**

Over 148cm and up to 158cm. The ideal Park Hack should be a sound quality animal with good conformation and even temperament. A top-class Park Hack will also show elegance and gaiety and demonstrate very good movement. The stride is expected to be long, straight and light, covering a lot of ground with some extravagance. The Park Hack should possess the qualities of a good riding horse, presence, elegance and free movement.

### **SADDLE HUNTER**

Over 148cm. The ideal Hunter under Saddle should have substance, be active and well mannered, with strong easy paces. A Saddle Hunter must be capable of carrying weight for long distances over varied country. Flat Hunters are expected to gallop in their work out and gallop must play a large part in the decision of the Judge.

### **RIDING HORSE**

This is a Show Horse of slightly less elegance and gaiety than a Show Hack. Over 148cm, it has more bone and substance than a Show Hack but is not as heavy as a Hunter; with workman-like strong even paces, excellent conformation, manners and temperament, and capable of carrying a Lady or Gentleman rider pleasantly over longer journey's than a Show Hack.

### **LEAD REIN & FIRST RIDDEN PONIES**

Both leading Rein and First Ridden Ponies should be safe and suitable. They should possess a good front, even gaits and not too wide for the small riders. The stride should not be too long, as they would unseat the rider and cause the rider to lose balance. Ideally the First Ridden Pony is a little more scopey in both conformation and movement than the Leading Rein pony, although many ponies compete successfully in both sections. Combinations in one section may not enter any other section. Lead Rein riders must be 7 years of age and under. Ponies to be led by an adult with the leading rein attached to the noseband of a snaffle bridle. Ponies will be asked to walk and trot, no cantering under any circumstances. Running or bearing reins or similar tackle are not allowed.

### **PONY**

148cm and under. The ideal pony should be a sound quality animal with good conformation and even temperaments. A top-class pony will also show elegance and gaiety and demonstrate very good movement. The stride is expected to be long, straight and light, covering a lot of ground with some extravagance and free movement. The pony should possess the qualities of a good riding horse, presence, elegance and free movement. Ponies should have definite pony type and characteristics.

### **PLEASURE HORSE/PONY**

RAS Height Certificates are not required. Plaiting and show attire is optional, although recommended for registered riders. Riders must wear a yellow tagged helmet and smooth sole riding boots. Pleasure Horse/Pony means those animals who do not fit the mould of a Show Horse/Pony. We welcome and breed and colour. They should be an uncomplicated and genuine pleasure to ride. Whilst they do not possess the show quality conformation of a show horse, they should in their own way be a delight to ride, with impeccable manners. A "pleasure mount" is NOT an inexperienced mount with show quality conformation who is destined for the open show ring. Horses/Ponies must never have been placed first in an open show ring class. Registered riders must carry their passport in order to register any wins.

**NOVICE**      **A Novice exhibit or rider is one that has yet to win six (6) classes in any division within the competitions provided by any A&P show/event.**

# NZ EQUESTRIAN PLEASURE SOCIETY

## Pleasure Horse and Pony Ring

*Judging to follow First Ridden Pony approx. 10am*

**RAS Height Certificates are not required. Plaiting and show attire is optional. Riders must wear a yellow tagged helmet. Registration with NZEPS is optional.**

Pleasure Horse/Pony means those animals who do not fit the mould of a Show Horse/Pony. We welcome any breed and colour. They should be an uncomplicated and genuine pleasure to ride. Whilst they do not possess the show quality conformation of a show horse, they should in their own way be a delight to ride, with impeccable manners. A "pleasure mount" is NOT an inexperienced mount with show quality conformation who is destined for the open show ring.

Horses/Ponies must never have been placed first in an open show ring class. Ordinary snaffle bit only, no poll action. Only cavesson nosebands are permitted. Whips may be carried but must not exceed 76cms in length. Spurs are not to be worn. Riders may have competed outside the Pleasure Horse/Pony section. Riders in Pony classes must be under 17yrs (proof of rider's age may be requested). Age is taken as at 1 August (beginning of the season). Children riding hacks must compete in the Horse Class. Adults may ride ponies in Horse Classes without prejudice. To qualify for shows such as HOY, high points etc, horses, and riders must be registered with NZEPS prior to the date of the show with Champion and Reserve Champion placings as qualifiers. Please refer to their website for details - <https://www.nzequestrianpleasuresociety.com>. Membership must be provided for best registered classes and passport carried.

• Please note horses and ponies will be combined with appropriate class if lack of entries.
