General Equestrian rules

**Whisker and Inner Ear Trimming, as
from 1 January 2022**

- <https://www.ras.org.nz/equestrian/whisker-and-inner-ear-trimming/>

In any competition where a Reserve
Champion is offered, the second placed
exhibit to the Champion is eligible to be
judged alongside the remaining winners
for Reserve Champion.

Competitors are required to wear an
approved/tagged safety helmet (see
helmet safety rule).

Floats and/or conveyances must be
parked as directed. Any request for

disabled or special parking must be notified when entries are submitted.

Exhibits 3 years of age and under are not permitted in ridden and driven classes.

Most Points prizes formula unless otherwise stated: 1st 5pts, 2nd 4pts, 3rd 3pts, 4th 2pts, 5th 1pt.

Judges may be changed or swapped at the discretion of the organising committee.

The same rider who starts the section on a mount to complete all classes in the section that animal is entered in. No rider changes from class to class.

The decision of the committee is final in all matters, including those not otherwise covered by the rules.

Completing the entry form

The name of the horse or pony must accompany all entries.

When entering registered Breed sections breed registration numbers must be supplied with entry or entry will not be accepted.

For classes where a RAS Certificate (RAS Height Certificate or Identification Form) is required, the certificate number must be included on the entry form at the time of entry.

Scratching and refund of entries

The Committee reserves the right to authorise the refund of 70% of the entry fees only, upon submission of a veterinary or doctor's certificate and a written explanation as to the reason for the request, within seven days of the date of competition. No refunds will be considered after this period and the Associations decision shall be final.

Combining, altering or cancelling

The Committee reserves the right to alter or combine the programme, classes or sections as it sees fit and will advise entrants accordingly.

Sections without three or more entries received at close of entries may be cancelled.

Where a class or section is cancelled competitors will be advised as early as possible and can choose to be reimbursed or transfer their entry to another section they are eligible for.

Health and Safety

Where any exhibit or exhibitor is deemed to create a risk to themselves or others, they may be eliminated for safety reasons.

Judges must be able to stand and move freely while judging and officiating. Equally competitors must be able to stand and move freely without the use of mobility aids, including walking sticks in the ring.

RAS Certificate

A RAS Certificate is a current RAS issued Annual or Life Height Certificate or Horse/Pony Identification Form.

Where classes are defined by height, competitors/exhibitors must carry a current RAS Certificate for their horse/pony at all RAS affiliated Shows/Events, and must produce it upon request to any authorised Show/Event personnel.

Where any competitor is unable to produce such a certificate the exhibit is ineligible to compete, will forfeit any awards and will be asked to leave the ring.

Competitors in sections 34-38; 41-46; 48-50; 55; 59B and 62 will be required to carry a current RAS Certificate. Other sections may require performance cards or a RAS Certificate in accordance with the breed society rules.

RAS Height Certificates will not be issued by the Otago Taieri A&P in the week preceding the show or during the course of the show.

The Otago Taieri A&P is not eligible to offer Temporary Measuring Certificates.

Failure to carry a RAS certificate where required will result in elimination.

Entering multiple sections

Where classes entered clash, it is up to the competitor to choose which to attend. Classes will not be held waiting for a competitor to finish elsewhere.

Competitors are encouraged to enter as many sections as they are eligible for unless stated, however:

- a) animal welfare is paramount
- b) combinations entered in sections 34,35,37,38,42-45 are not eligible for section 63.

All classes are programmed to follow and all competitors are requested to be on time for their event. It may be necessary to disqualify late arrivals in order that a strict timetable is adhered to.

Broodmares

Mares shown in broodmare classes must have a foal at foot or present a veterinary certificate of pregnancy that includes a projected foaling date.

Mares shown in the summer season without a foal at foot, would be expected

(before Christmas) to be late foaling summer or autumn, or (after Christmas) to have weaned an early foal and be back in foal with a spring due date.

Novice classes

Novice classes are restricted to horses and ponies that have 0-5 wins in any section.

In sections 34-38 and 42-45 a Novice Reserve champion may be awarded where more than 4 exhibits are entered in the novice classes of the section.

Clean Sport

The rules of the Royal A&P Society New Zealand in regard to Clean Sport apply.

Competitors are advised that tests for forbidden substances may be carried out during the Show/Event and that testing of all animals is at the risk of the person responsible for the animal.

A Forbidden Substance is defined as any substance capable of affecting the speed, stamina, courage or conduct of a horse, pony, donkey or mule by its action upon the central or peripheral nervous system or the cardio-vascular, respiratory, alimentary, digestive, musculoskeletal or urogenital systems.

Arrears

No person who is in arrears to the Otago Taieri A&P with regard to entry fees, subscriptions, or any other Show/Event charge is eligible to compete at any affiliated Show/Event. Proof of payment will be required before any restriction is lifted.

RAS In-Line Resolution Process Policy

The RAS Resolution Process Policy applies to abuse of animals, rule breeches or other inappropriate behaviour (as per the

RAS Constitution and the RAS Rules and Regulations and the Regulations/Bylaws, including the Equestrian Rulebook) at any RAS affiliated Show/Event/registered Measuring Stand and on member grounds.

The full process can be found on the RAS website www.ras.org.nz.

The principle behind the process is to deal with the matter as it comes to hand and in most cases it should be dealt with directly by the show.

If the matter is in regards to an RAS official, including RAS equestrian judges the matter is to be referred to the RAS CEO.

RAS Safety Helmet Rule

All Riders, including harness drivers, with the exception of heavy horse (Clydesdale) working classes, competing at RAS affiliated A&P Shows/Events must wear protective headgear, which includes a retaining harness secured to the shell at more than two points. Such headgear must be worn with the chinstrap properly adjusted and fastened when in the arena or ring, the practice area, collecting rings or anywhere else within the Showgrounds. Failure to do so will result in elimination.

Hats/helmets must conform with one of the current approved safety standards. These standards may be subject to change but the latest list can be found at <http://www.ras.org.nz> - equestrian. RAS will advise any changes via their website and Facebook.

All hats/helmets that conform must be identified by the current yellow tag system implemented by NZPCA, ESNZ and RAS

Helmets can be tagged at all Otago Taieri A&P measuring days at no cost. The tags are the same as those used by NZPCA and ESNZ, so helmets tagged by those organisations meet the requirements.

Stable allocations:

Due to limited stable numbers, stables are allocated in the following preference: Colts/Stallions, Mares with foals, full show bookings, distance competitors.

Competitors may be sharing a stable (one booking for night and one for day) and should ensure your stable is kept tidy at all times.

Options for offsite accommodation may be available.

Special Requirements: Any special requirements such as disabled parking should be notified to the Secretary at the time of entry.
