Mares shown in Brood Mare classes must have a foal at foot or present a veterinary certificate of pregnancy that includes a projected foaling date. Mares shown in the summer season without a foal at foot, would be expected (before Christmas) to be late foaling in the summer or autumn, or (after Christmas) to have weaned an early foal and be back in foal with a spring due date. If numbers are insufficient at close of entries it may be necessary to cancel or combine some classes. Any cancellations will be notified to the competitors Evo Events email address by Wednesday 6<sup>th</sup> December.**

## **RACECOURSE TRACK CROSSINGS – PLEASE READ CAREFULLY**

### **CROSSING THE RACECOURSE TRACK**

Crossing the racecourse track to go in and out the grounds or to access stables and yards that are over that side will only be accessible at certain times. We know this isn't ideal as people like to feed animals early and other situations like that but these have to be followed and there will be a committee member monitoring this. We cannot get around this or change this as it is a working/ training track and if we upset any trainers or racecourse staff, we will lose the use of the grounds.

There is to be no horses on the training tracks at any time, this includes walking them or grazing them.

Access to the stables and the yards over that side of the grounds are as followed.

**SATURDAY MORNING:** Access will be from **7:30am** (or until last racehorse has left the tie up area, this could be slightly early or later depending on horses working that day)

**SUNDAY MORNING:** Access will be from **6:30am.**

A committee member will be monitoring the gaps and will be in communication with racecourse management as you will be given the all clear as soon as possible.

### **MAIN ENTERANCE GATE (ANSON STREET)**

This gate will be locked and unlocked at certain times throughout the weekend to ensure the safety of the horses on the grounds and also the racehorses that will be schooling in the mornings. There is to be no vehicles on any of the tracks at any time.

Gate times are as followed:

**FRIDAY 8<sup>TH</sup>:** Gates will be open from **1pm** for anyone who wishes to arrive early. Gates will then be locked at **10pm** so please ensure if you go anywhere, you are back by then.

**SATURDAY 9<sup>TH</sup>:** Gate will be **unlocked at 8:00am** or when we are sure there are no more racehorses training. Gates will then be locked again at **10pm.**

**SUNDAY 10<sup>TH</sup>:** Gate will be unlocked **at 6:45am.**

### Please Note

This section is run Under NZEPS rules. Please see website for full list of rules: <https://nzequestrianpleasure.wordpress.com/downloads/>

Competitors in this section are to use simple snaffle bits only with no spurs or drop/flash nosebands. Pleasure Horse/Pony means those animals who do not fit the mould of a Show Horse/Pony. We welcome any breed (e.g. Appaloosas, Quarter Horses, Standardbreds, Clyde X) and colour. They should be an uncomplicated and genuine pleasure to ride. Whilst they do not possess the show quality conformation of a show horse, they should in their own way be a delight to ride, with impeccable manners. A “pleasure mount” is NOT an inexperienced mount with show quality conformation who is destined for the open show ring. Any child on a hack must enter the hack ring, also please no pleasure horse/pony is to cross enter into any other showing classes including working hunter.
