Disease Control T.B. Status [CATTLE AND DEER]

As per the current Biosecurity requirements:

All beef animals are to remain on the truck or trailer until they are scanned by a steward. If a tag is not recognized no animals are allowed to be unloaded and the exhibitor will be asked to leave the show grounds immediately

- All animals entered for showing or exhibiting must be from a current TB Clear Status Herd.
- All animals entered for showing must be from a herd that is current with its TB testing requirements.
- The Association must be notified, within 48 hours, of any TB testing that results in potential TB issues being identified after entries have been submitted. This will include TB testing of animals associated with those entered for showing. Owners entering cattle must sign any declaration printed on the entry form.
- All animals entered, that originate from a movement control area, must be notified at the time of entry. These animals, if aged 90 days or older, must complete a clear pre-movement TB test within 60 days of their movement to the show.
- Animal Status Declaration Card. This is a legal requirement for all animals being moved. All animals entered must be accompanied in transit by a signed and dated Animal Status Declaration Card showing a Clear TB Status and required TB testing is complete.
- A NAIT approved RFID tag will be mandatory for all movements of cattle, including day old calves. NAIT approved RFID cattle tags are white only. Please do not remove tags if cattle are identified with TBFree New Zealand or MINDA tags.
- A secondary tag is no longer required under the new NAIT scheme.
- All animals being exhibited at the Show including any participating in a hoof and hooks carcass competition come under the standard identification and ASD regulations. These cattle will require the NAIT approved RFID tag.
- Where live cattle or deer form part of a trade display the exhibitor is responsible for:
 - Ensuring all stock have completed all TB testing requirements as per TB Free New Zealand testing regulations.
 - Ensuring all stock are identified in accordance with current legal requirements

Beef Age Groups

- Age of cattle to be calculated at 1 June 2025.
 - Any bull born prior to 1 June 2023 must enter the bull 2 year and over class.
 - Females born prior to 1 June 2023 must enter the Senior Cow class.
 - Females born between 1 June 2023 and 1 June 2024 must enter the 2 year old class.
 - Animals born between 1 June 2024 and 1 June 2025 must enter the yearling class.
 - Animals born since 1 June 2025 are only eligible to enter calf classes.

Beef General

- All bulls 10 months and over MUST have a permanent nose ring, and be led by the ring.
- Bulls 2 years and older must be led by two leaders and be under adequate supervision at all times.
- All bulls must be securely tied in stalls by an adequate chain around the neck or stout leather collar with an adequate rope attached, as well as a halter.
- If your animal is deemed unsafe (e.g. a danger to the general public) you may be asked by the chief steward to move your animal to a safe area. It will not be allowed to enter the ring. This decision is final.
- If insufficient numbers in any one class, classes will be combined at the discretion of the Beef Steward, who's decision will be final.
- Animals entering in the group classes must be entered in their eligible class.
- There will be 3 calls for entrants into the class. If you miss these you will not be permitted entry to the ring.
- Once ribbons are in hand, the placings are final.
- Cattle tags numbers not returned by Exhibitor will be charged at \$5.00 each.
- At the conclusion of the show all exhibitors must remove all feed from the sheds.
- Sawdust will be used for bedding. NO straw allowed.
- Wash bay – one breeder at a time using the wash bay, once finished the wash bay must be sterilized with Virkon (provided) before the next breeder can use the wash bay.
- It is the responsibility of Exhibitors to supply and must use R C D Units.
- All beef cattle must be on the grounds by 8.00am Saturday morning, and no cattle may leave until the completion of all classes on Sunday afternoon. Local competitors may remove cattle they no longer require to show, but no cattle will be permitted entry on Sunday.
- Wash bay – one breeder at a time using the wash bay, once finished the wash bay must be sterilized with Virkon (provided) before the next breeder can use the wash bay. Sunday 8.00am to 8.45am wash bay for school calf use only.

Royal Show Beef - Interbreeds

Judge – Breed Judges

Judging criteria: Each judge will be issued with a card on which he will enter his first 4 placings. At the conclusion of the judging, these cards will be handed to the Senior Steward who will award 6 points for 1st, 4 points for 2nd, 2 points for 3rd, and 1 point for 4th on each card. The animal then gaining the most points will be the winner. Should there be a tie, the animal with the most firsts shall win. The stewards shall then line the animals up in the order in which each judge has judged them and the judge's name shall be announced. Finally the animals shall be lined up in order of placing in accordance with the number of points gained.
