

Dear Show Organizers,

An update to the Pleasure Section at shows.

Going forward the society has decided not to run the section at hoy. All affiliated shows will count towards qualification for our 2 national titles one in the north island one in the south. Points from affiliated shows also can be counted towards our highpoints and regional prizes which we plan to extend on for this season.

Please remember that all schedules must be sent to the society to check before they go to print. All affiliated sections must include the best registered combination class and ribbons will be supplied for this class. They will be posted once schedules are received.

Any questions please contact me 027 324 0294.

Updated judges list and class information can be found on the ras website under affiliated societies.

Thank you

Leeanne Morrison
