Standardbred Ring Steward Information Sheet

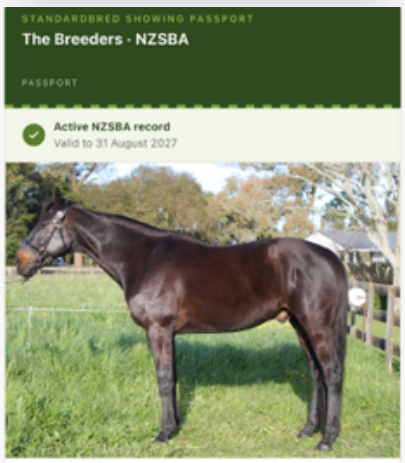

Thank you for volunteering your time to help steward in the Standardbred Section. The following information will help with the smooth running of the ring.

Passports: Prior to the event Passport numbers will be checked against our database. This should mean each entrant has a current Passport. **You need to check that the name on the Passport presented matches the entry listed.** However, you only need to check specific details if there is a specific query about the identity of the horse. You are **not required to scan every Passport QR code or check all details of every horse.**

The Passport may be presented digitally or in a printed copy.

EXAMPLE

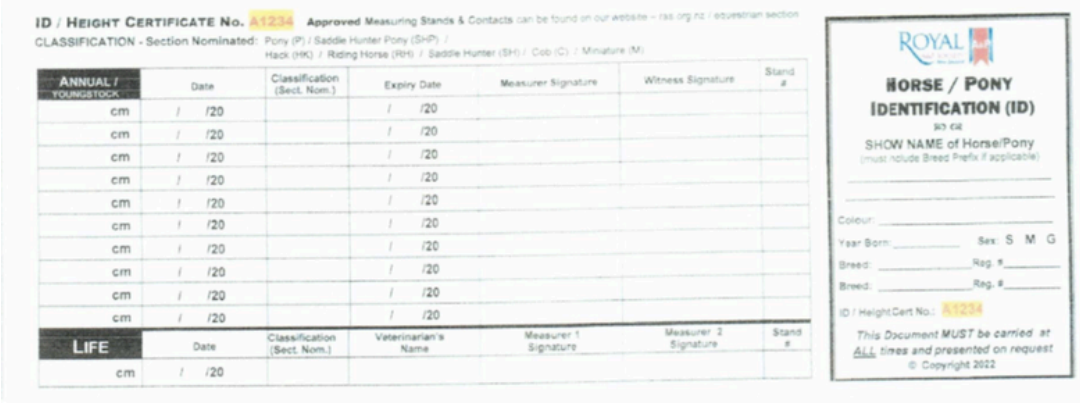

Inhand

- **Before the start of the classes**, please check all competitors' Passports. You only need to check that the name on the Passport matches the entry. Detailed checking is not required unless there is an official query about the identity of the horse.
- **Please check Passports at the gate before entry to the ring**
- From 2nd November 2026, all competitors must have a new Passport. These may be in their digital version on a phone OR printed. **Phones should be left outside of the ring.**
- Please note and advise competitors who are eligible for Champion/Reserve.

Ridden

- Check competitor's Passports to see if they were not entered in the Inhand classes
- If classes are defined by height, then check Height Certificates to ensure the correct class is entered.
